Proposal #2 – NO MOTION, FAILS

A class finals should be in the UD arena (or main competition area if the location changes)

Proposal #3 – NO MOTION, FAILS

Rotate the performance venues for A and Open Class prelims at World Championships.

Proposal #4 – NO MOTION, FAILS

Add a Quarterfinals round to Scholastic A, and limit the finalist to 20.

Proposal #5 – NO MOTION, FAILS

Use the highest score earned during a regional contest weekend for World Championships the seeding score.

Proposal #6 (Amended) PASSES (28-17-1)

For seeding purposes at World Championships, WGI will use the highest number a guard receives on that weekend at a WGI Regional.

Proposal #8 – NO MOTION, FAILS

Change the current system for ties in the seeding process for World Championships. Instead of placing tied units in the same round, the tie should be broken by a simple draw, or other random method. The winner of this draw will be placed in the later round. This would apply to all ties regardless of how many units achieve the same seeding score.

Proposal #9 PASSES (37-8-1)

At UD Arena World Championships-- When you have oversized props that do not fit out the regular exit. Could we have a more streamlined process for requesting access back out of the tunnel? Current procedure is to hunt down the contest administrator at the show site and tell them the day of the

show. Could we have some sort of form to fill out going into World Championship week and the CA collects all of those requests prior to the contest.

POLICIES & PROCEDURES

Proposal #15 PASSES (39-2-5)

2.4 DEFINITION OF ADVISORY BOARD

Primary Advisory Board members are those color guards or percussion ensembles that have been Advisory Board members for three consecutive years. Upon a group's third consecutive year, designated representatives of Primary Advisory Board members are eligible for election to the Board

of Directors. For color guards and percussion ensembles from outside North America, Primary Advisory Board status is conferred as of the third occasion on which the ensemble achieves membership on the Advisory Board, not considering years in which the ensemble did not enter World Class Championships.

Should a Primary Advisory Board Member fail to achieve Advisory Board status in subsequent years, Primary status is regained if the color guard or percussion ensemble returns to the Advisory Board and has not taken more than one year off from active competition in World Class. For color guards and percussion ensembles from outside North America, the ensemble would again be considered a Primary Advisory Board member if it achieves finalist status within its next three entries in World Class Championships, regardless of years in which it did not enter the competition.
