

**Color Guard World Championships
Wright State University
Nutter Center Site Info
3640 Colonel Glenn Highway
Dayton, OH 45435**

- The arena is situated on two floors:
 - The arena level consists of director check in, loading/unloading areas, prop storage, equipment warm up, the performance area and group photos.
 - The concourse level consists of body warm up and the spectator entrance. All spectator traffic is on the concourse level.
- Parking for color guards and spectators is abundant. There is a \$5 per vehicle parking fee **(cash only)**.
- Each color guard will be allotted 4 parking passes. Buses and trucks do not need a parking pass and will be permitted parking in the Bus/Truck Lot. See maps for details and traffic flow.
- The mixing board for the sound system and the sound person will be located by the front stands. The WGI sound person will have control of the level of sound. See contest info packet for sound check times.
- Dressing facilities are limited. Please come in competitive attire.
- The floor surface is concrete. A black tarp will cover the entire competition area. The black strips will be placed approximately 9.5 feet apart from the front to the back of the performance floor. The last strip at the back will vary in width.
- The competition area is 106' x 72'. Please see the floor plan for more details.
- A black drape will adorn the back wall of the arena, covering entrances and exits.
- There will be electrical power available at the front and back sidelines.
- Height of the facility is more than adequate.
- There are no floor folding facilities available.
- Equipment trucks must be moved within 45 minutes of the conclusion of the color guard's performance.
- There are separate areas for body and equipment. There is no music allowed in either body or equipment as sound travels to the performance floor.

Performance Area

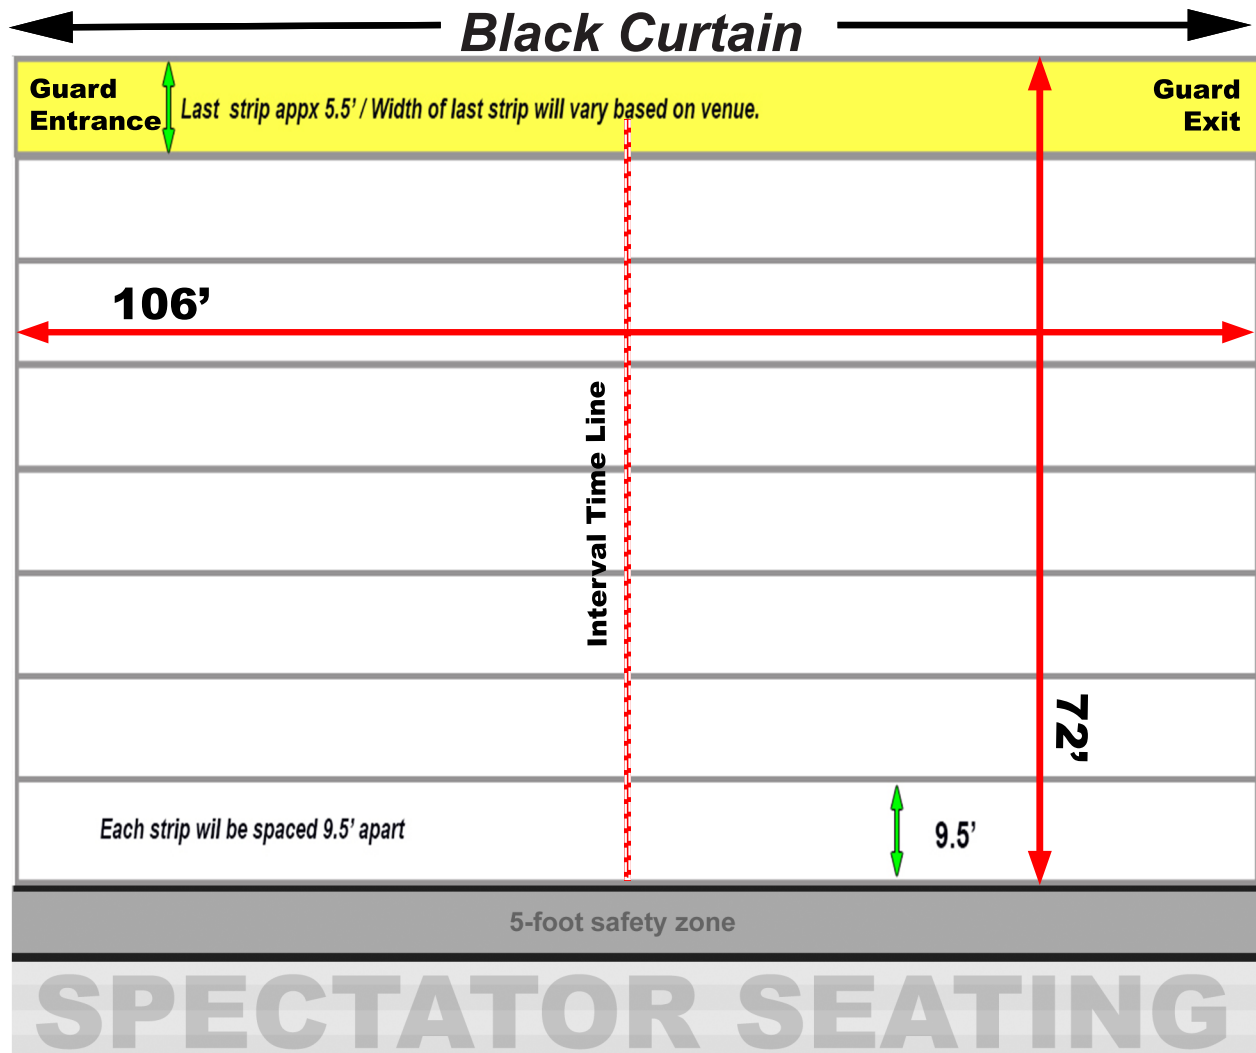

Color Guard World Championships Competition Area Wright State University Nutter Center, Dayton, OH

All WGI contest sites must have a minimum of seventy by one hundred feet (70' x 100') to accommodate a “safety zone” of five (5) feet from any spectator seating. If no spectators are seated on the left and right sides, then the safety zone will be eliminated on the left and right sides of the competition area and could extend to a maximum of 106' X 78'.

The “competition area” at this event measures 106' X 72'. All performing groups must be prepared to perform within that area. Floors (tarps) may not extend into the safety zones per rules found in the WGI Adjudication Manual and Rulebook.

Wright State University's Nutter Center Security Protocols

- **Spectator Entrance** Nutter Center Security will use wands to inspect all spectators and spectator belongings upon entrance.
- **NO COLOR GUARD EQUIPMENT** will be allowed in the main spectator arena entrances. Equipment may only enter the building through the warm up/guard check in entrance and the designated performance entrance at the top of the tunnel.
- **All bags are subject to search.** We ask you please limit the number of bags/purses/small backpacks being brought into the arena. Personal bags may be allowed after a thorough inspection. Oversized bags (or flag bags/equipment bags) are not permitted.
- **Prohibited items:** include, but are not limited to: firearms, weapons of any kind, outside food and drink, signs larger than 8.5 x 11, tripods, balloons, animals (with the exception of service animals), camera lenses longer than eight (8) inches, laser pointers, and noisemakers.
