Paying for and Accessing a Course in WGI Studio
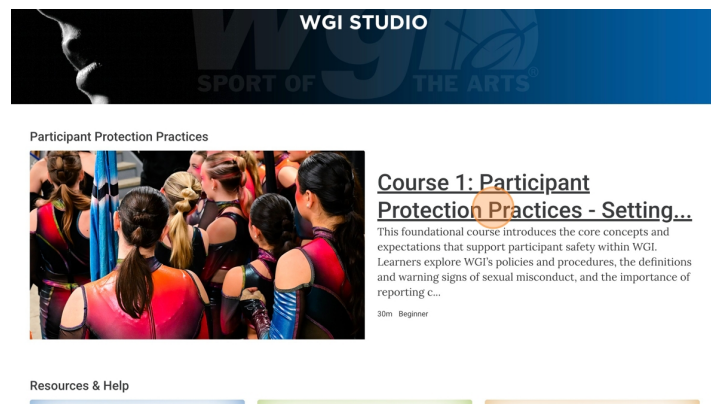

1. Navigate to https://www.wgistudio.org
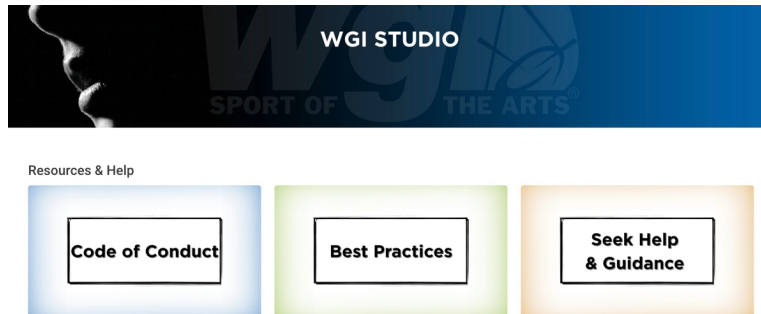

2. Click "Log In"
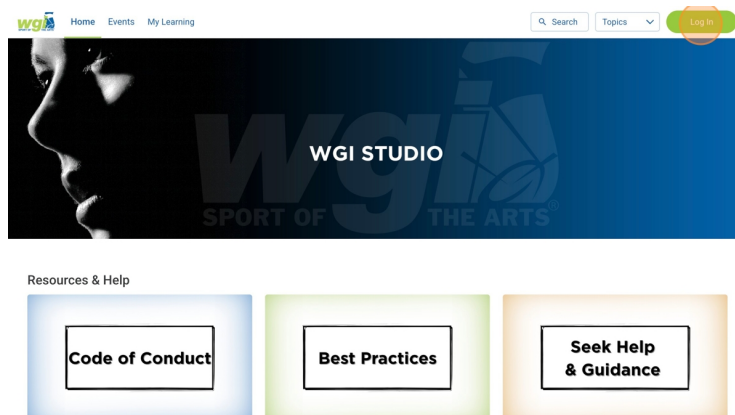

3. To access the course, click the underlined course title.

4. Click "Purchase"

This foundational course introduces the core concepts and expectations that
support participant safety within WGI. Learners explore WGI's policies and
procedures, the definitions and warning signs of sexual misconduct, and the
importance of reporting concerns promptly and appropriately. The course also
addresses common barriers to reporting and encourages a mindset of shared
accountability and vigilance.

Total: USD $17.00

Purchase

5. To pay for your own course, please select "Pay by Credit Card." Enter all card
information and address below and scroll to the bottom and click review purchase.
