# Editing Your Profile Information including Email, Division, and Group Affiliations

1. Login to https://www.wgistudio.org. Once you have logged, click the profile picture in the upper right corner and select "Settings".

2. On this page you can edit your information including name, email, role(s), division(s) you teach in, and groups you are associated with. You can not only add groups but also remove groups when you are no longer associated with them..

3. Once your updates are complete, be sure to select "Submit" to ensure all changes are saved.
