

Team,

As any good coach would say – we're heading into the late innings. The work is mostly done, but how we finish matters just as much as how we started.

First and foremost – great job this season. Everyone did an outstanding job this season. You continue to represent the pinnacle of what a great judge is within WGI, and that does not go unnoticed.

As we close out the season, please remember there are still a few weeks remaining. Many of you will be judging local circuit championships, and it's important to approach those events with the same level of professionalism and consistency. You are a WGI judge at all times - be mindful of your commentary, your critiques, and your numbers as you finish out these final events.

Looking ahead, we will share separate information regarding Championship preparation in the coming weeks. Until then, be ready for anything. As you know, not all groups progress at the same rate, so stay flexible and responsive to what's in front of you.

Finish strong – execute the fundamentals, trust your training, and don't take your eye off the ball.

You're doing excellent work – keep it going. If you need or want to discuss anything, don't hesitate to reach out.

Thank you,

Curtis
