## **University of Dayton Arena WGI Truck Unload/Reload Lot and Prop Storage Tent Information**

WGI will cone off 18 lettered spaces that will be approximately 50' x 36' each behind UD arena for prop/floor truck unloading/reloading. In addition to the lettered parking spaces, there is a prop storage tent now available with 14 numbered spaces measuring approximately 17'x12.5'. *Storage Tent Double Door Dimensions will be taken when the doors are installed and then sent to the groups via Competition Suite Text.*

Groups will have a published unload time (*appx 90 minutes prior to their performance time*) to enter their designated space. Trucks/trailers will be permitted to park in those designated spots. Buses will still park in the west lot.

Groups will not be permitted to park at the tent to unload. Groups must unload in their designated parking spot until reload and push into the prop storage tent.

Groups who have props/floors that take up a larger footprint than the 17' x 12.5' of available space or who have props that will not fit in the double door of the storage tent will need to be prepared to cover additional equipment/props with a tarp, or some other protective cover in case of inclement weather in your lettered lot parking spot.

Color guard equipment will remain with your props/floors until your designated performance check-in time. Props and floors will remain in the prop storage space until you are given instructions to move towards the tunnel entrance by WGI personnel. Please note that absolutely no color guard equipment will be allowed in the spectator doors.

Each group will receive a "Golden Ticket" upon arrival with your designated departure time from the lettered parking space. Trucks/trailers will remain in the designated spot until your group has reloaded after your performance. Groups who fail to remove their vehicles by the designated time may be subject to a penalty.

These designated prop storage spaces will only be available at UD Arena. WGI Staff & Volunteers will direct groups in and out of their assigned letter space. Groups are responsible for all items & vehicles left in their assigned letter space.

*(WGI and/or the University of Dayton Arena is not responsible for lost or stolen items.)*
